ALBERT & CHARLIE'S WEDDINGS

Plan with confidence, clarity, and joy – from
anywhere

About Albert & Charlie's Weddings

At Albert & Charlie's Weddings, we believe wedding planning should feel exciting – never overwhelming.

Our virtual planning service blends expert guidance, structure, and heartfelt support, so you can focus on what truly matters: celebrating your love story.

Founded by Stacey Collier, the brand was born from a passion for creating beautifully organised, joy-filled celebrations that reflect each couple's unique style. With years of experience in weddings, bars, and event coordination, Stacey brings a calm, creative touch to every detail.

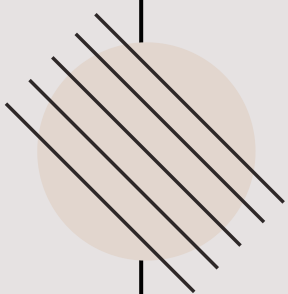

Whether it's a laid-back garden party, festival celebration, or modern chic affair, we help you bring your vision to life – virtually, seamlessly, and stress-free.

“Stacey made planning our day feel effortless – her guidance kept us organised, inspired, and genuinely excited. We couldn't have done it without her!”

– Rosie & Andy

Meet Stacey:

“I'm Stacey – planner, organiser, and your biggest cheerleader. With years of experience running wedding bars and events, I've learned that calm, clear planning is the secret to enjoying your day. I created this service so couples can plan beautifully – without the chaos.

Your Digital Planning Hub

Your Digital Planning Hub is the heart of your virtual wedding experience – a personalised online space that keeps every detail in one place. It's simple, stylish, and designed to make planning easy, organised, and enjoyable.

Inside Your Hub

Checklist

Your interactive to-do list, pre-filled and tailored to your wedding date, theme, and priorities.

Budget Tracker

Log payments, deposits, and balances with automatic totals and spending summaries.

Suppliers

Save, compare, and track every supplier in one place – with space for notes, quotes, and booking updates.

Documents

Upload contracts, invoices, and important files for quick, easy access anytime.

Itinerary Builder

Plan your full wedding day schedule from start to finish, ready to share with your venue or suppliers.

Guest List Manager

Manage RSVPs, meal choices, and seating preferences all in one tidy view.

✨ Your personalised hub is delivered within days of booking – pre-set with your date, venue, and first tasks, ready to make planning a breeze.

How the Process Works

Your virtual wedding planning journey is designed to feel simple, structured, and stress-free.

Here's how we'll work together – from your first enquiry to that final thank-you message after the big day.

Enquiry & Discovery Call

Let's chat! We'll discuss your vision, priorities, and ideas for your day. You'll receive your brochure, quote, and an optional discovery call to make sure we're the perfect fit.

Onboarding & Setup

Once you've booked, we'll send your welcome pack and set up your personalised digital planning hub – complete with your date, venue details, and first checklist tasks to get you started.

Kickoff Planning Session

We'll meet virtually to walk through your hub, set clear priorities, and build a plan that feels achievable and exciting. This session lays the foundations for a smooth planning journey.

Ongoing Planning Support

Enjoy regular virtual sessions (monthly or bi-monthly) plus unlimited message support. We'll help manage suppliers, budgets, and deadlines – keeping everything organised and stress-free.

Final Review & Wedding Week

As your wedding approaches, we'll go through every detail – suppliers, timeline, and logistics – so you feel calm, confident, and ready for the big day.

Post-Wedding Wrap-Up

After your celebration, we'll close your planning journey with a thank-you message and feedback form. Your digital hub is saved as a keepsake of your wedding story – a beautiful record of everything you achieved together.

✨ From enquiry to “I do,” every step is guided, organised, and filled with genuine support.

💖 Why Couples Love Virtual Planning
